SECRETARY'S REPORT

The January meeting of the Wellesley Amateur Radio Society was held in its regular location on Monday, January 4th at 7:30 PM. 15 dues paying members and guests were present. In the absense of the President, Roger Smith, W1EOA was moderator for the evening.

The meeting was focused on helping the new members get started in ham radio. The following questions were discussed: whether to buy or build 2. problems concerning antennas, 3. whether a good receiver is more important than transmitter. One guest felt that many Novices needed an "old Pro" to contact for advice, and the Secretary promised to circulate a list of the club's membership. Several members felt it was more important to get on the air tod get practice since the Novice license only lasts one year.

The formal meeting was then adjourned, and refreshments were served.

Respectfully submitted

Walt Lenk K1YTY
Secretary
